

ZDHC MRSL COMPLIANCE ACKNOWLEDGEMENT

The Zero Discharge Hazardous Chemicals Foundation is a non-profit group with the following vision and mission:

ZDHC Vision	ZDHC Mission
Widespread implementation of sustainable chemistry and best practices in the textile industry to protect consumers, workers and the natural environment.	Advance towards zero discharge of hazardous chemicals in our supply chain and act to improve the environment and people's well being.

Acknowledgement of ZDHC MRSL and Interim Conformance Guidance:

The signing party acknowledges receipt of the **ZDHC MRSL Version 1,1** (December 2015) and the **Interim MRSL Conformance Guidance** (December 2015). Both are available at www.roadmaptozero.com

The signing party further acknowledges that it will be responsible to:

- Implement the ZDHC MRSL at its production sites over time,
- Pass on the ZDHC MRSL to its supply chain partners, and
- Collect documents described in the Interim MRSL Conformance Guidance from its chemical suppliers.

Without limiting the scope of the ZDHC MRSL, particular focus should be given to suppliers of chemicals such as auxiliaries, dyestuffs, inks, prints, adhesives, and solvents.
